

About Me

Chinese Ancient & Traditional Medical Technique Courses

Our ancestors left us the HuangDi NeiJing (黄帝内经; 黄帝内經 The Yellow Emperor's Inner Classic), which is an ancient Chinese medical text that has been treated as the fundamental doctrinal source for Chinese medicine for more than two millennia.

Acupuncture originated in China, probably between 2000 and 3000 years ago. I am so proud of my Chinese heritage, and I fully understand how difficult it is to learn Chinese Ancient & Traditional Medical Techniques.

I would like to help and assist you to successfully complete your acupuncture studies. Please feel free to contact me. **E: acupuncture123.co.uk@gmail.com**

A real proof that a natural healing solution without drugs or surgery could help people live healthier, happier, more active lives.

And I want to spread the world even more.

Background & Qualifications

I am qualified Doctor of Traditional Chinese Medicine. After I finished my MBA degree at Wuhan University, China. I have travelled the world with my work. I have experienced many cultures and I have realized how important the natural healing is for our modern life. I am embracing my passion for ancient Chinese philosophy and also incorporating the latest Western medical thinking, thereby developing a **Modern Natural Healing System.**

I have been educated & practiced both in Traditional Chinese Acupuncture and Western Modern Acupuncture & Physio in China, USA and UK. This has opened my mind and my eyes to see how is our body map works, which has inspired me to develop my unique talents for my clinical work.

It is amazing to see my patients health improve with the Traditional Chinese Acupuncture & combined with my unique Ancient Eastern Wisdom & Modern Western Science natural healing integrated systems method treatments.
